Hello Ladies

HALDON FLAG WINNER 2019. ANNE WHITAKER
Anne took the flag down the 1st with a drive and a long iron shot to a well-earned win. Fantastic!

The overall winner of the 18 Hole Medal with nett 73 was MANDY HALL. In the Silver Division Angie Seal was in first place with nett 76. In the Bronze division Jean Stell was in first place with nett 77 and in second place was Rosie Lambert with nett 77 on countback from Kate Creber. Rosie had a two on the 16th.

In the 9 Hole Medal, Jenni Hutchinson was in first place with nett 36 and Lorraine Dunn came second with nett 36.5. Sally Tyler had a two on the 2nd.

CAPTAIN’S DRIVE IN – 27th March: Fantastic weather allowed this to take place after the Haldon Flag with a good number of people able to stay and support. A very nervous Lorraine managed to drive the ball 144 yards. Mark Haskell was nearest to guessing the length of the drive.

9 HOLE STABLEFORD - 31st March: The winner was Lin King with 20 stableford points

NEXT WEEK’S COMPETITION on 10th April: 18 Hole Stableford (maximum handicap 54) and Betty Burdett Salver (handicaps 27 – 36). 9 Hole Stableford (max handicap 54).

FRIENDLY MATCH v EXETER at home on 25th March: This took place in lovely sunshine and good spirits. Exeter fielded a strong team and although our team played well, we lost 4/2. The ladies section has received an email from Exeter’s Captain who thanked us for “such a warm welcome and enjoyable company throughout the day”.

FRIENDLY MATCH AGAINST DAINTON – Away Monday 8th April.
First Tee Time: 1.24pm
The sign up sheet is on the notice board and Lorraine and Sally welcome experienced and those ladies new to match play to sign up for this friendly match.
Any queries, contact Sally.
HELPFUL ADVICE FROM ANNE: There are now 117 competitions for Ladies throughout the year. Hopefully, enough variety for everyone! Sometimes there is more than one competition on the same day making it somewhat of a challenge to decide which of them to enter. Advice on the format, other than regular medals and Stablefords, is always shown on the noticeboard in the Ladies changing room, helping you to decide which competition you wish to enter before signing up. With a more unusual format, there is usually further written information held in the Pro Shop. Don’t miss out by playing to an incorrect format. The Haldon Flag was not taken by some players when it could have been but, fortunately was claimed by Anne Whitaker who rightfully took it down the first. Well done, Anne!

9 Hole Medals: We are currently exploring the option of playing qualifying 9 Hole Medals. Until a handicap issue can be resolved, all 9 Hole competitions shown as medals on Howdidido and in the club diary will be in Stableford format unless otherwise notified.

CELEBRATIONS: Thank you Sally and Mandy for organising the team celebration at Coftron Lodge. The mini bowling was great fun even if many of us did not have a clue! The meal afterwards was convivial – a really good evening.

The last roll up of the season was held on 1st April when 20 Ladies enjoyed a Greensomes Stableford in glorious sunshine. The winners were Hannah and Nicky with 19 points from 9 holes. Seen here are the players who enjoyed a light lunch in the clubhouse afterwards. Sally thanked Lorraine on behalf of the rollers up for her organisation during the winter season.
