Ladies Newsletter for Wednesday 26th September 2018

So, another week looms. Results from the past week, news to share and of course ongoing information about forthcoming events.

**Results for the Captain V Vice Captain Match held Wednesday 19th September**

The ladies were very lucky with the weather, whilst the wind blew strongly, and some members were nearly blown away, everyone managed to get in without getting wet – that was a result! 36 ladies played, and the pairs drawn against each other were evenly matched. Terri did a sterling job with having the cards all ready and minute changes. There was some very the course and it continued when everyone house!!! The outcome though was very being Captain 4½ / Vice-Captain 4½ - how friendly was that! Thank took part and for entering into the spirit of the event. The ladies would like to acknowledge the excellent meal afterwards which was plentiful and delicious. Thank you to the bar and catering team for looking after us so well.

**The Finals of the Warren Crocus were held on Monday 17th September at Dawlish Warren.**
Firstly, well done to all four ladies who took part and represented the club in this event. In the Bronze Division we saw Anne Hoult and Sarah Plunket come in with 32 pts, finishing 12th and in the Silver Division, Mary Dummett and Hannah Stephens came in with 31pts finishing in the middle of the field. A big well done to you all.

**Women on Par Event - held Tuesday 18th September 2018**
Rob reports this was a huge success with an excellent turnout of 17 new ladies who have been part of the GetintoGolf programme run by the pro-shop. In attendance to support the event were Rob and John from the pro shop, as well as a representative from England Golf, our Captains, Alan and Terri, the Chairman, Board Members, some of our ladies from the committee as well as other incredibly supportive lady members. The new ladies with their supporters went out in small groups and made their way round 6 holes following a shotgun start. The ladies had challenges along the way and there was great feedback from the new ladies once they got over their nerves! They commented that ‘they had great fun and learnt so much along the way particularly regarding etiquette. Once everyone came in (it was quite a cold evening) they were able to meet up with other newbies, swap stories and enjoy a drink and canapés. These ladies are already hooked! It was great to see. Thank you to everyone who supported this event and all the best to the new lady golfers. See report and picture on the website under ‘latest news’.

Also, this week the Express and Echo finals took place at Exeter. Again, we had two pairs in this final. Sarah Plunket and Hannah Stephens and Miranda Hruby and Molly Cayliss. It was very wet and windy which made for difficult conditions. Whilst our pairs were not in the prizes the players felt they played some good golf in and very much enjoyed the event. Well done to the ladies for getting to the final stage of the comp.

**Next Week: Wednesday 3rd October is the EG Medal in conjunction with the Members Cup:** This is full handicap / Qualifier / No entry fees
